

FIRST TIME HOMEBUYER LOANS

How It Helps

Empower Homebuyers is the County of Santa Clara's first-time homebuyer down payment assistance program. Funded through the 2016 Measure A Affordable Housing Bond and administered by Housing Trust Silicon Valley, the program is expected to assist approximately 250 households with incomes that do not exceed 120% of the Area Median Income over the first five years. With assistance of up to 17% of the purchase price, the Empower program makes buying a home more affordable.

What You Need To Know

Empower Homebuyers is a thirty year deferred loan, plus a share of the home's appreciation that matches what you borrow. Because the loan is a shared appreciation loan, no monthly payments of any kind are required. Payment is deferred until your loan reaches its maturity date, you decide to sell your home, you move out of your home, or you refinance your mortgage.
