INDEPENDENT AUDITOR'S REPORT

We have audited the accompanying statements of financial position of Housing Trust of Santa Clara County, Inc., a California nonprofit public benefit corporation, as of June 30, 2012 and 2011, and the related statements of activities, functional expenses, and cash flows for the years then ended. These financial statements are the responsibility of Housing Trust of Santa Clara County, Inc.'s management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of Housing Trust of Santa Clara County, Inc.'s internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Housing Trust of Santa Clara County, Inc. as of June 30, 2012 and 2011, and the changes in its net assets and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued a report dated November 16, 2012 on our consideration of Housing Trust of Santa Clara County, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements. The Schedule of Expenditures of Federal Awards on page 24 is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Housing Trust of Santa Clara County, Inc. (Housing Trust) was incorporated on May 22, 2000 as a non-profit public benefit corporation. Housing Trust was formed with the mission to make Silicon Valley a more affordable place to live. Housing Trust makes loans and grants to increase the supply of affordable housing, assist first-time homebuyers, prevent homelessness and stabilize neighborhoods.

In order to augment affordable housing throughout Santa Clara County, Housing Trust currently offers four programs:

- First-time Homebuyer Programs – Housing Trust offers the Downpayment Assistance Program, Mortgage Assistance Program, Closing Cost Assistance Program, and Equity Share Co-Investment Program to help qualified first-time homebuyers in Santa Clara County with second mortgage, downpayment and closing costs.
- Affordable Multi-Family Rental Program – The program is designed to help create affordable multi-family rental housing units in communities throughout Santa Clara County through grants and loans to qualified developers of affordable multi-family rental housing.
- Homeless and Special Needs Program – The program is designed to help prevent homelessness in cities across Santa Clara County through grants and loans to qualified developers of housing for the homeless and/or those with special needs.
- Neighborhood Stabilization Program (NSP2) – In February 2010, Housing Trust was awarded \$25,000,000 in NSP2 funds from the U.S. Department of Housing and Urban Development (HUD) under the American Recovery and Reinvestment Act. Housing Trust is the lead entity in the San Jose Consortium, which also includes the City of San Jose (the City) and Neighborhood Housing Services Silicon Valley. These NSP2 funds are being used in targeted areas across 35 census tracts that have been the hardest hit by foreclosures within the City of San Jose. Housing Trust will use a portion of the funds to provide up to 100 Purchase Assistance Loans to low and moderate income households buying foreclosed and abandoned properties within the designated areas. The Consortium will also acquire and rehabilitate up to 64 foreclosed or abandoned homes for resale to low and moderate income households. Twenty-five percent of the grant totaling \$6,250,000 will be reserved to assist households at or below fifty percent of area median income. The NSP2 funds, and the leveraging of \$2,250,000 in additional funds, will reduce the number of foreclosed or abandoned homes and residential properties in the targeted areas and help to stabilize the housing market. During 2012 and 2011, Housing Trust recognized contribution revenue of \$14,851,868 and \$7,737,008, respectively from NSP2.

Housing Trust is especially vulnerable to the inherent risks associated with revenue that is substantially dependent on government funding, corporations, public support and contributions located in Santa Clara County.

During 2012, Housing Trust was certified as a Community Development Financial Institution (CDFI) by the U.S. Department of Treasury – CDFI.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Method

Housing Trust uses the accrual method of accounting, which recognizes income in the period earned and expenses when incurred, regardless of the timing of payments.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Basis of Presentation

Housing Trust reports information regarding its financial position and activities according to up to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets, as applicable.

Revenue Recognition

Contributions are recognized as revenue when they are unconditionally communicated. Grants represent contributions if resource providers receive no value in exchange for the assets transferred. Contributions are recorded at their fair value as unrestricted support, temporarily restricted support, or permanently restricted support, depending on the absence or existence of donor-imposed restrictions as applicable. When a restriction expires (that is when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. Contributions restricted for the purchase of long-lived assets, are reported as unrestricted when expended for that purpose.

Contributions receivable, that are expected to be collected in future years, are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk-free interest rates applicable to the years in which the contributions are received. Amortization of the discounts, if any, is included in contribution revenue. Conditional contributions receivable, if any, are not included as support until the conditions are substantially met.

Contributed services are stated at their estimated fair value, if they are ordinarily purchased and are of a specialized nature.

Cash

Cash is defined as cash in demand deposit accounts as well as cash on hand. Cash equivalents are highly liquid investments that are readily convertible to known amounts of cash. Generally only investments with original maturities of 3 months or less qualify as cash equivalents. Housing Trust occasionally maintains cash on deposit at various banks in excess of the Federal Deposit Insurance Corporation limit and investment accounts in excess of the Securities Investor Protection Corporation limit. The uninsured cash balance was approximately \$7,199,000 as of June 30, 2012. Housing Trust has not experienced any losses in such accounts.

Contributions Receivable

Contributions receivable represent unconditional promises to give and are stated at the present value of the future cash flows Housing Trust expects to collect. The related discount on promises to give is amortized on a straight-line basis over the number of years the receivable is expected to be collected.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2012 AND 2011

Notes Receivable and Allowance for Loan Losses

Notes receivable consists of loans made to first-time homebuyers under the First-time Homebuyer Programs and are carried at their outstanding principal balances, net of an allowance for loan losses. Loan origination fees are recognized immediately, which management has determined is not materially different from generally accepted accounting principles. All notes are secured. Management has the intent and ability to hold these notes in the foreseeable future or until maturity or payoff.

An allowance for loan losses is established through a charge to the Statements of Activities and decreased by loss as charged against loans, net of recoveries. The allowance for loan losses is maintained at a level which, in management's judgment, is adequate to absorb credit losses inherent in the loan portfolio, including the nature of the portfolio, credit concentrations, trends in historical loss experience, specific impaired loans, and economic conditions.

Property and Equipment

Property and equipment is stated at cost of acquisition or fair value, if donated. The costs of maintenance and repairs are charged to expense as incurred. Depreciation is computed based on the straight-line method over the estimated useful lives of the assets ranging from 3 to 5 years.

Income Taxes

Housing Trust is exempt from federal income taxes under section 501(c)(3) of the Internal Revenue Code and the related California code sections. Contributions to Housing Trust qualify for the charitable contribution deduction and Housing Trust is not classified as a private foundation.

Housing Trust believes that it has appropriate support for any tax positions taken, and as such, do not have any uncertain tax positions that are material to the financial statements. Housing Trust's federal and state information returns for the years 2008 through 2011 are subject to examination by regulatory agencies, generally for three years and four years after they were filed federal and state, respectively.

Functional Expense Allocation

The costs of providing program services and supporting services are summarized on a functional basis in the statements of activities and statements of functional expenses. Accordingly, certain costs are allocated among program services and supporting services based on estimates of employees' time incurred and on usage of resources.

Subsequent Events

Housing Trust has evaluated subsequent events through November 16, 2012, the date on which the financial statements were available to be issued.

Reclassification

Certain amounts previously reported in the 2011 financial statements were reclassified to conform to the 2012 presentation for comparative purposes.

- (1) First-time homebuyer programs are designed to help qualified first-time homebuyers in Santa Clara County purchase their first home. Applicants must meet household income requirements as set forth by HUD and must not have owned a home in Santa Clara County within three years of application date. Borrower's first loan must be a 30- year fixed mortgage. In addition, borrowers must reside in the financed home as their principal residence or a default has occurred and the loan becomes due and payable immediately.
- (2) Maximum loan amount was \$6,500, secured by deeds of trust with 0% interest. Effective October 1, 2009, new loans bear 3% simple interest. Effective October 2010, the maximum loan amount is 3% of the purchase price up to \$15,000. Payment of principal and accrued interest is deferred until the maturity date of the related first loan, or upon any sale, transfer assignment or refinance of the first loan or upon default of the terms of the Housing Trust loan, whichever occurs first.
- (3) Maximum loan amount was \$15,000, 30-year amortized mortgage, secured by deeds of trust with interest at a rate 1.5% above the interest rate on the related first mortgage. Effective July 1, 2012, new loans bear interest rate at a rate 1% above the interest rate on the related first mortgage. Effective October 2010, the maximum loan amount is 17% of the purchase price up to \$85,000, 30 year amortized mortgage, secured by deeds of trust and bears interest at a rate 1% above the interest rate on the related first mortgage. Payment of principal and interest are due monthly or upon any sale, transfer assignment or refinance of the first loan or upon default of the terms of the Housing Trust loan, whichever occurs first.
- (4) Maximum loan amount is \$75,000, secured by deeds of trust and bears interest at 0%. Qualified homebuyers are required to make downpayment of at least 5% of the purchase price of the home. Housing Trust will match the downpayment amount up to the maximum loan amount. Payment is deferred with entire balance due in full in 15 years, or upon any sale, transfer assignment or refinance of the first loan or upon default of the terms of the Housing Trust Loan, whichever occurs first. There are no interest payments due on the ESCO loan. Instead, borrower will share a portion of their home's appreciation with the Housing Trust at the time of sale, prepayment or refinance of the first loan or upon default based upon a calculation as defined by the loan agreement.

⁽¹⁾ Housing Trust has entered into an agreement with Neighborhood Housing Services Silicon Valley (NHSSV) to serve as the fund administrator to manage the lending activities of its Downpayment Assistance Program. This includes making and approving loans using Housing Trust funds, monitoring and receiving monthly payments from the borrowers and remitting the same to the Housing Trust including any interest earned on idle funds, on a quarterly basis. Under this agreement, NHSSV will serve as the lender and will hold the note and deed of trust. Housing Trust established a fund of \$500,000 with NHSSV to provide fixed, below-market interest rate secondary financing that may be used as a downpayment for qualified first-time homebuyers in Santa Clara County. During 2011 and 2010, Housing Trust funded an additional \$315,000 and \$400,000, respectively. Qualified first-time homebuyers may borrow up to \$25,000 when they finance their homes through NHSSV. Loans are deferred for the first 60 months and payments will begin on the 61st month through the remaining 25 years of the loan. There were 3 and 21 loans originated by NHSSV totaling \$49,450 and \$455,000 as of June 30, 2012 and 2011, respectively.

⁽²⁾ Housing Trust has entered into an agreement with Opportunity Fund (OF) to serve as the fund administrator to manage the lending and grant making activities of its Affordable Multi-Family Housing Program and the Homeless with Special Needs Program. Under this agreement, OF works under the direction of the executive director of Housing Trust to underwrite and close loans using Housing Trust funds as the source of capital to the qualified developers. OF serves as the lender and holds the note and deed of trust. Also, OF is responsible for monitoring and receiving monthly payments from the borrowers and remitting the same to the Housing Trust including any interest earned on idle funds, on a quarterly basis. For the years ended June 30, 2012 and 2011, fees paid to OF for these services were \$34,467 and \$77,678, respectively. The qualified developers may borrow up to \$15,000 per affordable unit, up to maximum loan amount of \$500,000. For acquisition, predevelopment, and construction financing loan, the term of the loan is up to 24 months with fixed interest ranging from 2% to 4.5%. For permanent financing loan, the term of the loan is up to 55 years with deferred interest rate of up to 3%.

Future principal repayments are estimated as follows:

2013	\$ 1,207,216

⁽¹⁾ As the lead entity in the San Jose Consortium under the NSP2 Program, Housing Trust is responsible to monitor the City’s eligible activities and submit cost reimbursements for the City. The San Jose Consortium allocated \$18,000,000 of the original award to the City to purchase and rehabilitate homes and residential properties that have been abandoned or foreclosed upon in order to sell, rent or redevelop such homes and properties. During 2012, a total amount of \$7,626,560, representing proceeds from sale of rehabilitated homes, was received from the City. This amount is included in Government Contributions in the accompanying statements of activities.

⁽²⁾ Housing Trust has established two programs to assist providers in Santa Clara County with transitioning their clients toward permanent housing:

- Emergency Homelessness Prevention Grants – The program is designed to provide one-time rental assistance to local non-profit agencies working to prevent eviction, or move families into more stable housing. The qualified non-profit agencies may apply for the grant with a maximum amount of \$25,000 for the year ended June 30, 2011. The program was ended during fiscal year 2012.
- Safety Net Capital Improvement program – The program is designed to provide funds on a one-time basis to qualifying non-profit agencies serving families and individuals who are homeless or at risk of homelessness. Grant funds are to be used for capital renovations and improvements to existing facilities. The qualified non-profit agencies may apply for the grant with a maximum amount of \$200,000.
- Finally Home program – The program is designed to provide one-time, security deposit assistance to individuals, families, seniors, and persons with disabilities who are in need of security deposit assistance to transition from homelessness into permanent housing.

Contributions received from government entities are released from restrictions once the funds are disbursed to qualified borrowers within the cities specified by the donors, granted as contributions to qualified organizations or used as program expense based on maximum amounts allowed by the donors. To the extent that agreements have secondary-use restrictions requiring Housing Trust to re-use the funds for another purpose, then restrictions are released when the secondary-use restrictions are fulfilled either through grants made to qualified organizations or use of funds for program expenses based on maximum amounts allowed by the donors. A total of \$2,473,758 and \$5,652,114 of restricted cash was included in temporarily restricted net assets for funds that have secondary-use restrictions as of June 30, 2012 and 2011, respectively.

NOTE 12 – PENSION PLAN

Housing Trust has established a defined contribution plan (the Plan) for all eligible employees. An employee must have three (3) months service before they can participate in the Plan. Contributions to employee accounts are immediately fully vested. Prior to July 1, 2011, Housing Trust contributed 5% of eligible employees' compensation. As of July 1, 2011, Housing Trust contributes 3% of eligible employees' compensation and up to an additional 2% of matching funds for those employees who contribute to the plan. Housing Trust contributed \$31,394 and \$29,705 to the Plan during 2012 and 2011, respectively.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
*GOVERNMENT AUDITING STANDARDS***

We have audited the financial statements of Housing Trust of Santa Clara County, Inc., a California nonprofit corporation, as of and for the year ended June 30, 2012, and have issued our report thereon dated November 16, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

Management of Housing Trust of Santa Clara County, Inc. is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered Housing Trust of Santa Clara County, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Housing Trust of Santa Clara County, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Housing Trust of Santa Clara County, Inc.'s internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Housing Trust of Santa Clara County, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the audit committee, management, others within the entity, the board of directors, U.S. Department of Housing and Urban Development and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

**REPORT ON COMPLIANCE WITH REQUIREMENTS THAT COULD
HAVE A DIRECT AND MATERIAL EFFECT ON EACH MAJOR
PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN
ACCORDANCE WITH OMB CIRCULAR A-133**

Compliance

We have audited the compliance of Housing Trust of Santa Clara County, Inc., a California nonprofit public benefit corporation, with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that could have a direct and material effect on each of Housing Trust of Santa Clara County, Inc.'s major federal programs for the year ended June 30, 2012. Housing Trust of Santa Clara County, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of Housing Trust of Santa Clara County, Inc.'s management. Our responsibility is to express an opinion on Housing Trust of Santa Clara County, Inc.'s compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Nonprofit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Housing Trust of Santa Clara County, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on Housing Trust of Santa Clara County, Inc.'s compliance with those requirements.

In our opinion, Housing Trust of Santa Clara County, Inc. complied, in all material respects, with the requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2012.

Internal Control Over Compliance

Management of Housing Trust of Santa Clara County, Inc. is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered Housing Trust of Santa Clara County, Inc.'s internal control over compliance with the requirements that could have a direct and material effect on a major federal program to determine the auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly we do not express an opinion on the effectiveness of Housing Trust of Santa Clara County, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of management, others within the organization, federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
